DUE DATE FINAL - PENALTY

Pursuant to Section 323.17 Ohio Revised Code

The "due date" as printed on the tax statement is, according to the law, the final date for payment of taxes. There is no so-called "grace period" provided by the law. Payments mailed to the Treasurer's Office must be postmarked on or before the due date. All payments postmarked or made in person after this date must be considered delinquent and a penalty for late payments must be charged.

COLLECTION PERIODS

Pursuant to Section 323.12 and 323.17 Ohio Revised Code

According to statutes of Ohio the final dates for payment of taxes should be December 31 and June 20, but there is provision in law for an extension of these collection periods. For this year, the date for payment will be March 20 and July 31. Payments will be accepted at anytime from December 15 through July 31 approximate.

TAX RECEIPTS

Pursuant to Section 323.11 Ohio Revised Code

Taxpayers who mail payments to the Treasurer's Office and want a receipt returned to them must:

- a. Return both parts of the tax statement intact, along with their payment.
- b. Include a self-addressed envelope (no postage necessary) when mailing their payment.

Taxpayers who don't need a receipt should:

- a. Return only the stub of their statement (small end), along with their payment.
- b. A cancelled check is usually sufficient evidence for proof of payment.

COMPLAINTS

Pursuant to Section 5715.19 Ohio Revised Code

Any taxpayer wishing to complain or appeal his assessment of Real Property Tax must file a formal appeal, under oath, with the County Auditor before the date set for the closing of the first-half tax collection period. A hearing will be scheduled before the Board of Revision within ninety (90) days after the above date. Full payment of the first-half tax should be made before filing the complaint. If a reduction is granted, an adjustment will be made in the second-half collection for the entire year. Appeal forms may be obtained from the County Auditor.

CHANGES IN VALUE

If improvements are added to or removed from real property, it is the responsibility of the owner to inform the County Auditor of the change.

Pursuant to Section 5713.17 Ohio Revised Code:

1. If any improvement or building is added costing over \$200.00, the owner shall notify the County Auditor in writing within sixty (60) days after commencing construction.
2. Such notification shall include an estimate of the cost, a description of the lot or land and the ownership as it appears on the deed.
3. Failure to give such notice and later discovery by the Auditor, will result in appraisal and placing upon the duplicate. An assessment will be made for each year from the date of construction to the date of discovery, including the taxes which should have been paid, along with a penalty of fifty percent (50%) for each year.

Pursuant to Section 319.38 Ohio Revised Code:

When an improvement or building is destroyed or removed, the owner must notify the County Auditor. Notification shall be made before the first day of July for a reduction in taxable value for taxes of the current year. Forms are available at the Auditor's Office.
